Open Heavens Centers is a new apostolic wineskin that is formed out of leaders who are relational, stretchable, and seekers of the kingdom of God through intimacy with him. He has called us to bring heaven to earth and complete the great commission. We are business leaders, home group leaders, church leaders and individuals with a calling. We operate in the fullness of the gifts of the Spirit with a strong prophetic edge, and we are committed to encourage one another through good times and bad. OHC strongly encourages the multiplication of home groups and regional gatherings for discipleship, refreshing and empowering. Our mandate is to connect home groups regionally, nationally and internationally. Permission is granted and undergirded to do church differently. What is your God given dream, and how can we help make it happen through prayer, prophecy, resources and support?

We provide apostolic mantling for those who attend other churches, and maintain their good standing in those churches as well as belonging to other networks. OHC is more regional in scope, and does not seek to be exclusive. We promote your ministry, calling and relationships. We birth sons and daughters in mentoring and love for relationships that are eternal.

You may be a member of another church already, in which case your relationship with us will be more apostolic and advisory to your ministry growth. We also pastor people who desire to place themselves under our covering in closer relationship.

Our Responsibilities to you:

1. Providing an opportunity on the conference calls to receive personal help, ministry and prophecy. Eagles can be relational and real with other eagles! Conference Calls are paid for entirely by OHC.
2. Ordination and licensing help to begin home groups, churches and ministries. Mentoring to launch your God given dream.
3. Apostolic covering, which includes advice, help, sending speakers and training to your home group or ministry. We also pastor a core group of individuals who desire to make the commitment to OHC. .
4. Weekly intercession for you through our teams and specific prayer cover for needs
5. Regional meetings provided for all the members for breakthrough. We often bring in internationally recognized speakers to infuse you with fresh manna. Impartation, training and equipping is a great strength to you from our meetings.
6. Using incoming funds to do outreach and missions as opportunities arise

7. Sending you out to fulfill the call of God, and sending people to you
