

**Open Heavens Centers Presents**

***RADICAL***

***FAVOR!***

***More Than You Have Ever Known!***

with

**Prophet Bill Yount**

***Friday March 6***

***Saturday March 7***

OHC is thrilled to have Bill Yount back again to minister. We know that it is God all the way! His prophetic words are published on Elijah List and Bill speaks worldwide. What an outpouring we experienced the first time!!! We are expecting even more, with the realm of the miraculous opening in fantastic ways!

Bill Yount has been a member of Bridge of Life in Hagerstown, Maryland where he is now an Elder, and a home missionary for the past 36 years. He faithfully served in Prison Ministry at Mount Hope Inc. for 23 years and now travels full-time, ministering in churches and Aglow circles. He is currently an Advisor at Large for Aglow International.

Bill's calling is to encourage the Body of Christ to move forward into God's Destiny as they are sent into the Harvest field. "Humility and Humor" characterize his ministry as he brings forth a fresh word that is "in season" proclaiming the word of the Lord! The shofar or ram's horn is often used in his meetings breaking the powers of darkness over regions, churches and house-holds. The shofar represents God's breath blowing into the nostrils of His people, reviving them and awakening the lost. He travels across the U.S. and at times abroad. Many of God's messages he ministers prophetically come out of everyday life with his family and friends.

Bill's wife, Dagmar, ministers at times with him. They have three children: Naomi, Danielle and Joel.

## ART OUTREACH:

Note from Lynne Barletta;

We will include a number of children as an outreach ministry to them and their families, who could not afford to do this workshop. We would like to be able to send supplies home with them, and encourage anyone who would like to sponsor a child to contact us right away. This outreach stays with these kids for a lifetime. They never forget, and even recently, a young man approached me and told me he remembered one afternoon drawing with me at his school when he was young, and he always wanted to pursue the arts since then. One child in our last class who was unable to concentrate initially, became totally focused by the end, and when his mother came to pick him up, she began crying at the sight of his painting. Another 7 year old child had a vision of Jesus after the Seer anointing was released upon her. I can't say enough about the impact this has had on kids. We have been doing these outreaches for years, now, and our staff is growing with volunteers. If you sponsor a child and would like to come and observe, you are welcome!
